

Rubric Scale		1	2	3	4	5
Equipment Significance to UoP	Rating based on Frequency Usage and Importance of Equipment.	Low Significance		Average Significance	High Significance	
Current Equipment Suitability at UoP	Rating based on Issues noted and Performance Satisfaction.	Low Suitability		Average Suitability	High Suitability	
Frequency of Usage (1-5)	How often equipment is used.	Less than 2 Times per year	3-5 Times per year	6-8 Times per year	9-10 Times per year	10+ Times per year
Importance of Equipment (1-5)	Level of equipment importance for its required purposes, functions, and tasks. (Ex: Concrete crusher is extremely important to crush concrete)	Not Important		Important	Very Important	
Issues Noted (1-5)	Count of issues noted for equipment by senior project study	4+	3	2	1	0
Performance Satisfaction (1-5)	Do the current equipment resources available to the students fulfill their need for production	Unsatisfied		Neutral	Satisfied
